

# The simple, retro-fit custodial lighting solution

Recently completed project at a custodial suite with emergency function, night light and dual LED circuits.

**BEFORE**

**AFTER**

## Problem

You need an upgrade to your existing lighting.

Unfortunately, there is a high cost to Home Office Approved (NOMS) LED luminaires which makes an upgrade unfeasible.

## Solution

The new bespoke gear trays from RLT Onsite will fit inside existing Home Office approved custodial luminaires but upgrade instantly to a high performance LED solution which can incorporate night light, emergency function and dual LED circuits. This solution is also exceptional value making energy payback much shorter than other energy saving options.

**5 year component  
warranty**

**Over 50% energy  
saving**

**Tridonic LEDs and  
control gear**

We work with a wide range of custodial lighting luminaires.
