

# PROTECT YOUR ENGINEERS! SAFETY PRODUCTS DIRECT-TO-DOOR!

## STAYSAFE KIT...

100s of mobile engineers all over the country? RLT Onsite can distribute our StaySafe kit including bespoke PPE direct to engineer home addresses. ...continuously dedicated to making life safer...

## ...OR INDIVIDUAL PRODUCTS DIRECT-TO-ENGINEER!

### FACE MASKS

From surgical masks through to FFP2 and N95 face masks, RLT Onsite have got you covered.

### SANITISER & CLOTHS

Hand gel, hand & surface sanitiser and even cloths to ensure your hands, work surfaces and tools stay clean and sanitised. Available in multiple sizes and for a variety of applications.

### GLOVES

Stay safe with protection against an easy way for the virus to transmit. Keeping your hands protected ensures you don't pick up the virus by touching infected surfaces.
